

UPASANA SEN

Sustainability Professional

ABOUT ME

Passionate Sustainability Analyst experienced in data-driven analysis, resource efficiency, and stakeholder engagement. Skilled in translating sustainability principles into actionable strategies for positive environmental and social impact.

WORK EXPERIENCE

Nov 2022- 2021

Green Cloud Nine | Austria

Sustainability Analyst

At Green Cloud Nine, I drive Sustainability Strategy, vendor evaluation, employee/vendor guidelines, annual sustainability reporting, and impactful goal development.

2021 - 2022

Skåne Startups | Sweden

Venture Advisor - Sustainability Analyst

At Skåne Startups, I facilitated sustainability for 100+ startups, managed deal flows, linked global investors to startups, nurtured relationships with stakeholders.

2015 - 2017

Botildenborg | Sweden

Sustainability Solutions Intern

At Botildenborg, I promote local farmer produce through research, surveyed farmers, strategized local food promotion. Advocate urban farming with CLD.
